

IFPS Job Sheet No. 7

Saving Your Work and Publishing Your Grids to the Official Database

Objective — This job sheet will show you how to save your work (do this early and often), as well as publishing the grids to the official database. From this database, the ICS and IGR databases are gleaned.

Saving The Grids

1. Select Edit from the Menu Bar (or click on the Floppy Disk icon, located on the Button Bar..
2. A dialog box with a list of Weather Elements will appear. Make sure ALL the Weather Elements you wish to save are checked in yellow.
3. Click Save Weather Elements.

Publish Grids to Official

1. Select Products from the Menu Bar. Click on Publish to Official.
2. In the right hand column under Time Period, check All Grids.
3. Click Publish.
